

At the end of the session....**One thing I will do as a result of this training –**

- Visit some of the recommended websites to find out more (x8)
- Look at NSPCC website
- To listen (x2)
- Educate others
- Look at ONS website
- Keep myself up to date and use credible resources to better my understanding
- Look at resources
- Look at Bataris Box
- Will be looking at the things I don't understand
- I will consider the Bataris box and the impact of my own attitudes (and associated body language)
- Was interested in the different categories that government use to monitor race – may look at further
- Look at websites – young minds, ONS, stonewall, betterup
- Review the trans & posts info about pronouns, for personal use & peace of mind/understanding
