

Designated Safeguarding Lead Training Held on Monday 5 February

The following feedback was received from asking two questions at the end of the session:

Please give us any feedback on the training:

I really enjoyed the session and learned lots
A great opportunity to sit and reflect on what we do and can do better at
Well presented and very knowledgeable
Very helpful knowledge, I learned a lot of different things
Exceptional session – really couldn't improve it
Well presented, good follow up advice
We enjoyed the training and have learned a lot
Lots of new ideas from others
Excellent session, very clear, very relevant with good examples and case studies
Lovely morning, thanks very much! I learned loads and I have similar training before
Very good, informative. Glad we are not on our own in safeguarding
Very informative, upbeat and lively teacher as always. Nice group work and great snacks!
Could do with a shorter period of safeguarding but regular trainings

List one thing you are going to do as a result of this course:

Safeguarding audit (including policies/training)
Refresh poster/policy to include latest legislation
Have a connection with team for regular updates
Providing training to volunteers about safeguarding
Assess how up to date our policies are and when they were last updated
Join the safeguarding network
Safeguarding flowchart
Make safeguarding an agenda item at each committee meeting
Putting policies on our Facebook page and get a written copy
Recruitment and induction process
Look at the acts spoken about in this training and look at case studies mentioned
Liaise with our organisers about procedures
Check the Managing Allegation policy is up to date
Update the policy and ensure everyone has read and signed it
