

TRAINING AND CONSULTANCY OPPORTUNITIES

Business Development Through Bespoke Training Packages

I enjoy working with my clients to develop training to meet their needs!

Leadership and Management Training

Team development through the Team Management Profile www.tmsdi.com with individuals or full teams.

One to one support for managers and leaders including mentoring and supervision.

Wide range of management training:

- First steps in management
- Effective supervision
- Team building
- Policies and procedures in practice
- Change management
- Communicating effectively

Organisational audits, linked to training and development, to ensure compliance with all areas of legislation – particularly health and safety and safeguarding

Working with voluntary organisations, schools and small businesses to review policies and procedures; ensuring governance arrangements are ‘fit for purpose’ and bespoke training as needed.

Feedback Received From Recent Courses

- The best thing about the training was; seeing and hearing other people’s opinions on managing staff and other people’s problems/solutions”.
- “Advice from other managers with more experience, being able to share their experience. Interactive”.
- “Gaining new management knowledge”.
- “Really good, clear information, really useful for a new manager”.
- “Discussing scenarios, working in groups with other line managers”.

Leadership and Management Training is one of my areas of expertise. If you would like more information on Courses for Parents and Staff, Safeguarding, Workplace Compliance or any bespoke requirements you may have, please contact me.
