Thoroughly enjoyed both sessions

Both trainers were great

Real life examples really helped

Workshops were very good

Great training

I would love for there to have been examples of management models from women from recent times. Other than that, it was great

I feel we all got something out of the sessions and it was a great opportunity for me to be able to talk to everyone so thank you for involving me the way you did

I found the trainer to be knowledgeable and honest when she didn't necessarily know our industry/respectful that our industry is different

Thoroughly enjoyed the course

The paper boats really had me confused

Enthusiastically delivered, clear understanding of subject matter

Very friendly and fun trainers

Lots of personal examples. Less experience in our industry but that's okay

The tutor met my training needs a little too well. Some occasions of detailed focus that were not always relevant to the group

If anything, I'd like this to be an on-going process. I want to continue to improve (and for my manager to continue to improve!) and find the sessions helpful and also in terms of inter-

departmental relationships

I never make the most of paper handouts

Really valuable sessions and most importantly none of it dragged - thank you

Great course and really valuable to spend time with fellow managers

I really dread all day trainings but these two days have been very pleasant
