Thank you Jill, It has been really enjoyable and I think two weeks was perfect. A great sized group and loads of information. Thanks a lot, it was really nice to see you again.

*Loved the two sessions, given a great insight and can't wait to read the download later, cheers!*

The course has been really helpful and I have lots of new things to try. Thank you very much Jill.

*Two sessions have been good breaking it up into smaller sections. Helpful reminders, positive advice and questions to get us thinking!*
