I really enjoyed the training session I found the profile was accurate and reflected me well. I have learnt a lot about myself and hope to put a few things in place moving forward.

Well delivered. Was better than I expected for a tmp.

Clear and concise.

A really good opportunity to reflect on our individual styles and how we interact with each other as a management team.

Great course and investment in us as a management team.

Was not overwhelming despite the course being crammed into a shorter period of time.

It was really interesting and helped me to understand the management team more.

Very engaging, very informative I know and understand my own management style more and what areas I need to focus on for improvement.
