Very useful chance to reflect on the important points and key messages to take away from the course, thank you. :)

Jill was very engaging and approachable. I found I learned a lot from more experienced people in the role.

It was very good and informative, made me reflect and think about things like Bias.

This course was really useful and interactive, it supported us to reflect on our skills and knowledge and identify areas of strength and those that require some development.

Interesting, insightful, I loved listening to the advocates as well as the speakers.
