I find these sessions extremely helpful as a refresher. The details and support throughout is fantastic and knowledgeable.
It made a lot of sense, especially in discussing the case studies.
Very informative and discussion and content were really good.- liked the case studies.
Very useful for our pastoral team work.
Very friendly, well structured session. Informative about legal stuff too.
Extremely useful. great conversations around the scenarios.
Great! Lots of learning!

Any additional session feedback or ideas for future sessions?

Sometimes there can be a host of pastoral issues coming in, within a very short space of time, which can make it difficult to 'keep all the plates up in the air'. Grateful in my parish for our friendly and wise PSO.
Both facilitators were helpful and directed the course well.
More of these master classes about dealing with addictions would be great.
